

THE 10 RULES FROM GOD

1. PUT GOD FIRST

Use one finger to show the One True God. Then point up to heaven.

2. DON'T MAKE FAKE GODS

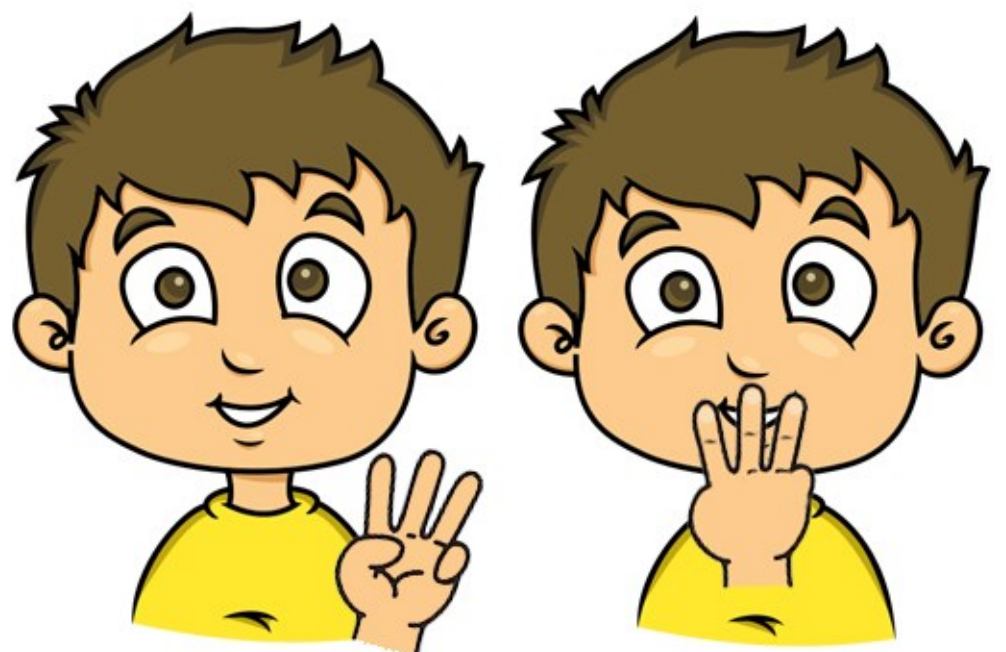

Use one finger from each hand and have one finger bow to the other while shaking your head.

3. RESPECT GOD'S NAME

Use three fingers, one for The Father, the Son and the Holy Spirit.

God is all three, and he told us his name.

Cover your mouth with the three fingers to show that we will not use his name in the wrong way.

Father, Son, Holy Spirit

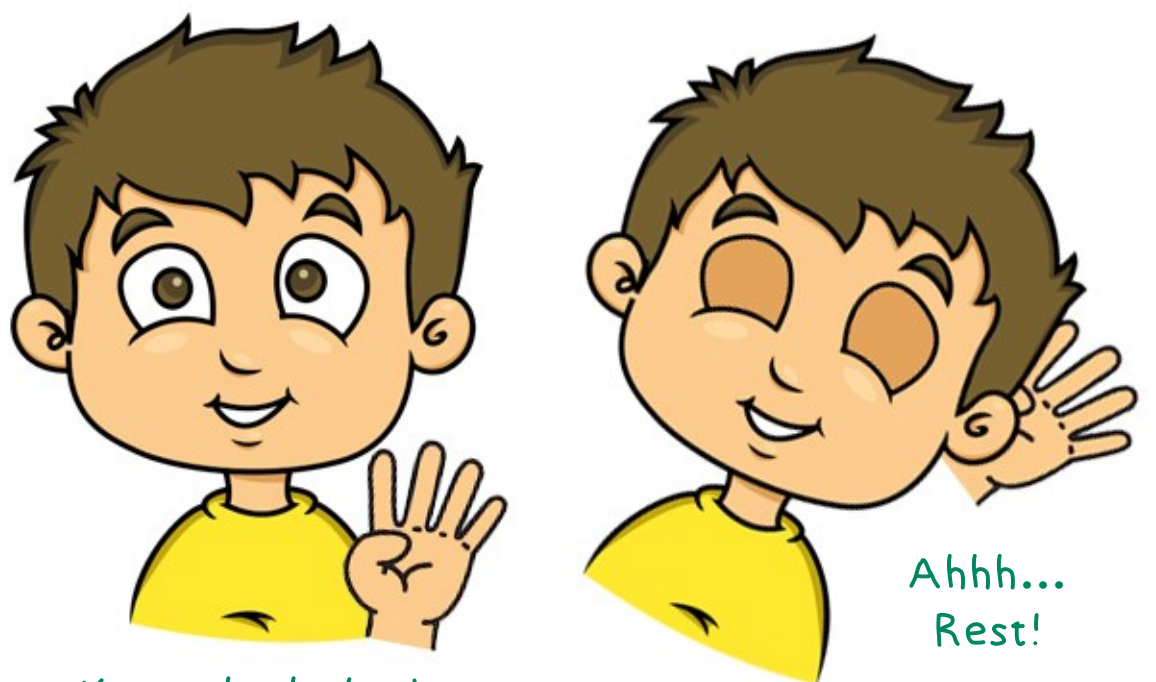

Shhhh...

4. KEEP THE HOLY DAY

We get the word 'holiday' from the words 'Holy Day.'

The Seventh day was to be kept separate from the other six in that no work was to be done—instead, rest and worship.

Show four fingers for the fourth rule, and use them like a pillow to rest your head on.

Keep the holy day

Ahhh...
Rest!

5. RESPECT DAD AND MUM

Hold up all five fingers from one hand for rule number five.

In American Sign Language, the sign for 'dad' is raising your open hand up to your head with your thumb touching your forehead.

The sign for 'mum' is the same except on the chin instead of the head.

6. DO NOT KILL PEOPLE

Hold up all five fingers from one hand and your thumb on the other hand for rule number six.

Use your open hand to push your other hand into your chest, with your thumb poking your chest like a weapon.

You can shake your head at the same time if you want.

7. KEEP YOUR MARRIAGE PROMISES

Hold up all five fingers from one hand and two on the other hand for rule number seven.

The five on one are the children, and the two on the other are mum and dad.

Cross the two fingers to show faithfulness.

8. DON'T STEAL STUFF

Hold up all five fingers from one hand and three from the other for rule number eight.

Use the open hand to grab the three fingers and steal them away.

9. DON'T TELL LIES

Hold up all five fingers from one hand and four from the other hand for rule number nine.

Cover your mouth with these to show we shouldn't tell lies, especially about other people.

10. DON'T WISH FOR OTHER PEOPLES STUFF

Hold up all five fingers from each hand for rule number ten.

Reach out and start grabbing, as if you are trying to grab other peoples stuff.

This is the most fun action of the all!
